MATHEMATICAL TOWER 42 m

Located in the main building of the University of Wrocław, the Mathematical Tower features a viewpoint terrace with views of Słodowa Island and the Old Town.

Visitors can explore the University Museum, which includes four main attractions: the Aula Leopoldina, Oratorium Marianum, the Exposition, and the Mathematical Tower itself.

Statues at the top represent four sciences Theology, Law, Philosophy, and Medicine.

PENITENT BRIDGE 45 m

The Penitent Bridge (Mostek Pokutnic) is a footbridge connecting the two towers of the Mary Magdalene Church, 45 meters above ground. According to legend, the bridge is haunted by the ghosts of young women who neglected their duties for a life of revelry.

The bridge offers unique views over Wrocław's Old Town.
