

WROCLAW AT NIGHT

the city of the entertainment

Oder boat rides

A delightful way to spend your leisure time and discover the hidden gems of Wrocław, each boat ride offers a myriad of attractions.

Itineraries

– Kardynalska Marina – ZOO –
Opatowicka Island – return

Multimedia Fountain

The Multimedia Fountain is the largest in Poland and one of the biggest in Europe, covering 1 hectare. It features 800 lights, 300 water jets, and 3 fire jets, creating a spectacular show in the basin.

after showcase come visit
historic church of St. John of
Nepomuk (Open Space of Culture)

Neon Side Gallery

The Neon Side Gallery is located at the site of the former Reklama enterprise, which produced neon signs. At Ruska 46c, you can admire nearly 30 neon signs from various institutions, companies, workshops, shops, cinemas, and bars.

WROCLAW MUSEUM

GAMES & COMPUTERS *of the past era*

This museum takes you back to the '70s, '80s, and '90s, showcasing video consoles, home computers, handheld devices, and arcade games from the golden age of gaming and IT.

After your visit, stop by for a
refreshing beer and a variety of
food options in the court.

HALA ŚWIEBODZKI
bar & food court

Śłodowa Island

Known for its relaxed and inviting atmosphere. During the warmer months, Śłodowa Island becomes a hub for concerts, festivals, and spontaneous music performances, making it a lively place to unwind.

Movie Gate Wrocław

Movie Gate is Europe's only museum that immerses visitors in the magical world of film, science, and history. It houses a unique collection featuring original film props and costumes.

after visit come on in for a dance
square near
National Forum of Music
